

KLAPTON CASH BACK PLAN COVER: THE SIMPLE WAY TO DEAL WITH YOUR EVERYDAY HEALTH EXPENSES

When it comes to looking after your health, and that of your family, it is surprising how quickly every day costs can begin to add up.

Routine costs such as prescriptions, dental check-ups and eye tests can quickly mount up. Klapton Cash Back Plan is designed to complement your existing health cover by giving you cash back up to your annual benefit limits on a range of everyday expenses.

HOW DOES IT WORK?

With three levels of cover to choose from, Klapton Cash Back Plan allows you to claim back the cost of various health expenses up to your annual benefit limit.

Whichever level you choose, there is no underwriting or waiting period to consider, except for maternity and adoption which is 52 weeks.

Better still, there's no need to request pre-authorisation before you take your appointment.

- ### Receive cash back on:
- **Optical charges from routine eye tests to laser surgery**
 - **Dental charges from routine check-ups to root canal**
 - **Prescriptions**
 - **Alternative therapies**
